Forty Shades Of Green

Johnny Cash

\perp_1 $\overset{\wedge}{\square}$ \perp_{1+} $\overset{\times}{\odot}$ + $\overset{\wedge}{\odot}$ / \triangle^* > / $\times \times \sim$

I close my eyes and picture the emerald of the sea

\triangleright / $\downarrow \alpha$ $\overset{\times}{\cup}$ > $\times \triangle$ \triangleright / $\overset{\times}{\sim}$ > $\times \triangle$

From the fishing boats at Dingle to the shores of Dunardee

\perp_1 $\overset{\wedge}{\heartsuit}$ - / \approx \otimes + / $\times \perp$ > $\times \triangle$

I miss the river Shannon and the folks at Skibbereen

/ $\overset{\times}{\sim}$ + / $\overset{\times}{-|}$ + $\overset{\times}{\perp_+}$ 40 $\overset{\times}{\odot}$ > \odot_4

The moorlands and the midlands with their forty shades of green

\rightarrow \otimes > \boxtimes \perp_1 $\overset{\wedge}{\heartsuit}$ - \ \triangle \square \otimes $\times \triangle$

But most of all I miss a girl in Tipperary town

+ \otimes > \boxtimes \perp_1 $\overset{\wedge}{\heartsuit}$ - \triangle_{3+} $\overset{\vee}{\circ}$ $\overset{\vee}{\cup}$ $|| = \# \div ' \chi$

And most of all I miss her lips as soft as eiderdown

Again I want to see and do the things we've done and seen

Where the breeze is sweet as Shalimar and there's forty shades of green

I wish that I could spend an hour at Dublin's churching surf

⊥₁'(? [^]⊙ / [^]⊙ / ^x⊙ ⊙ [^]⊙ / ^x⊙ + [^]⊙ / —

I'd love to watch the farmers drain the bogs and spade the turf

To see again the thatching of the straw the women glean
